

Directions from the WEST

Take the M4 to Junction 12. Turn left onto the **A4 towards READING**. Follow the A4 for about 4 (ish!) miles over several traffic lights and small/medium roundabouts.

Within this part of the journey, you will have passed an ALDI on the right, a SKODA Dealership on the right and a Beefeater Pub/Restaurant called the Beefeater also on the right.

Eventually, after one of the sets of traffic lights, you go down a very slight slope (two lanes converge into one at this point) and come to a **big roundabout** controlled by traffic lights.

Take the first exit from this roundabout heading towards Caversham, Henley etc. This first exit is an "on ramp" to the dual carriageway below. Move onto the left lane of the dual carriageway and continue towards **Caversham, Henley** under the bridge.

DO NOT CONTINUE UP THE NEXT EXIT RAMP.

Carry on this road still towards **Caversham & Henley** (you pass a fire station on your left immediately after going under a railway bridge).

At the roundabout (400 yds after the Fire Station) bear to the left and 400 yds on you then come to another roundabout. Go straight ahead at this roundabout over **Caversham Bridge** but work your way into the right hand lane as you go across the bridge (River Thames below you!)

Go ahead at the traffic lights, now following the signs for Henley (the road bears to the right a little). After 400 yds, you need to **turn left at a mini roundabout** (just after a Waitrose supermarket). Go up to the traffic lights and continue ahead onto the **Henley Road**.

Continue on this road for about 2 miles (past the Traveller's Rest pub and Jet service station) and at the **next** set of main traffic lights, **filter left** into **Caversham Park Road**. After 100 yds, take the first left into **Lowfield Road**. Go round the bend and FARNHAM DRIVE is the 5th turning on the RIGHT . We are N° 25-27, a shop front called 'JADE' (entrance is at N° 26)

Bon Voyage!
